# Fitness Timetable

Book classes online at: <http://leisure.ne-derbyshire.gov.uk/bookings>

- Note 'The Virtual Instructor' is available to all members to use whenever the studio is not in use. There is information within the studio on members' use.
- \*Virtual class times may vary slightly to advertised due to each programme varying slightly on length.

### Fitness suite opening times

Monday to Friday	7am - 9pm
Saturday	8am - 4pm
Sunday	8am - 6pm

## Fitness on Demand (F.O.D)

### F.O.D Cardio

Improve your cardiovascular system, lose weight and build muscle. No two classes are the same.

### F.O.D Strength

Focus on your foundation - the core. Create stability from the middle of your body. Move like never before.

### F.O.D G-Cycle

Saddle up for an efficient high intensity interval training (HIIT) cycling experience that strengthens your legs, improves heart and lung function.

### F.O.D Mind and Body

Gives you strength, balance, peak intensity, intense and meditative stretching.

## Fitness & Aerobic Workouts

### Studio Cycle

High energy calorie burning workout on the indoor cycles, gets the heart pumping.

### Zumba

Latin inspired dance fitness workout, incorporating steps from Salsa, Cha Cha Cha and other techniques.

### Kettlebells

An intense full body workout using Kettle Bells to train your entire body.

### Barbell Body Pump

Barbell Body Pump is a strength/cardio workout using barbells & weights.

## Strike

Strike is a cardio workout based on 'martial arts' style moves.

### Box-fit

A low impact, high-energy workout that incorporates solid pad work, weight training and conditioning, functional and circuit training with an emphasis placed on boxing.

### Legs, Bums & Tums (LBT)

High and low impact exercise to music led by the fitness instructor.

### Abs

Build and strengthen the abdominal muscles. Abs uses various skills and techniques to target the core muscles; including floor routines, full body stretches.

## Water Based Exercise

### Aqua Jog

Just like jogging - but in the water! A great resistance and fitness work-out.

### Aquacise

Water based Aerobics class that uses the resistance of the water to improve muscle toning and calorie burning as well as reducing the impact on the joints.

## Mind & Body Workout

### Rest and Restore Yoga

Increase flexibility and range of motion.

### Pilates

Improves flexibility, coordination and balance. It puts emphasis on alignment, breathing and developing a strong core.

### Strong Flow Yoga

So called because of the smooth way the poses move together.

### Otago

Improve strength, balance and confidence. Consists of a set of leg muscle, strengthening and balance retaining exercises.

## Healthy Lifestyle Workouts

### Low Impact Circuits

Low impact/intensity workout incorporating calorie burning, cardiovascular, strength and body toning exercises.

### Chairaobics

Chair-based low impact exercise to music led by the fitness instructor.

### Junior Gym

Supervised gym session providing a safe and effective fitness and toning workout.
