

Are you from the Armed Forces Community?

Bolsover and North East Derbyshire District Councils are committed to supporting our armed forces, veterans and their families.

Working with the Derbyshire Armed Forces Covenant Partnership we are developing the provision and promotion of local services for our Armed Forces Community.

To do this we need our Armed Forces Community to tell us their particular service needs and how best they can be contacted. We have already worked with charities and partners to support ex-services residents with issues including mobility, eligible benefits, energy efficiency schemes and household adaptations.

If you are from the Armed Forces Community and wish to be consulted about your support needs and/or register for information on future services, please send your name, address, e-mail address and telephone number to your District Council:

or telephone: 01246 242424

North East Derbyshire District Council

Your details will be placed on a database and used to send you relevant information for the Armed Forces Community. The lawful basis for this processing is consent. Your data will be held for as long as you remain on the database, which you can leave at any time by contacting your local District Council.

For more information on how we use personal information please go to our privacy statement on our websites, www.bolsover.gov.uk or www.ne-derbyshire.gov.uk.
